Purpose

The purpose of this policy is to provide guidance to relevant individuals who are involved with managing Flitwick Community Football Centre and its associated activities to ensure that all such individuals act in the best interests of the charity and its beneficiaries.

Scope

This policy covers all activities associated with Flitwick Community Football Centre through Flitwick Together, The Flitwick Sports and the partner clubs. The individuals falling within scope of this policy include trustees, directors, volunteers and employees. This policy particularly applies to individuals who are involved with the work of awarding contracts or payments to organisations or individuals providing services to the centre.

Definition

Roles and Responsibilities

All relevant individuals have a responsibility to be aware of the potential for a conflict of interest.

The ultimate responsibility for the management of potential and actual conflicts of interest rests with the trustees.

The trustees and directors are responsible for communicating the Conflict of Interest Policy to all relevant individuals.

A register of any potential conflicts of interest will be maintained and reviewed regularly by the trustees.

All individuals associated with Flitwick Community Football Centre management or activities have a responsibility to report any known conflict of interest to The Board of Trustees.

If a trustee, director, volunteer or employee has a conflict of interest, they must declare this to the other trustees and not be part of any meetings or discussions on that subject.

If an individual's actions have been identified as a conflict of interest then the Board of Trustees must take appropriate action which after due consultation with the individual involved can include exclusion from certain activities and if appropriate resignation.
